UD Internal Funding Opportunities for Faculty and Graduate Students
as of March 1, 2019

FACULTY
From the Research Office:
https://research.udel.edu/research-development/funding-opportunities/internal-funding/

There are several Research Office Seed Grants, including:
Chemours Discovery Research Award – preproposal deadline was January 15, 2019
General University Research (GUR) Grants – deadline was November 19, 2018
UD Research Foundation – deadline was January 21, 2019
UD Research Foundation Strategic Initiatives – deadline is not yet announced – SOMETIME IN SUMMER 2019
Unidel Early Stage Start-Up – deadline was January 5, 2019

UD Grand Challenges: Interdisciplinary Grants Program – deadline was November 16, 2018 (This may not be offered again) – https://grad.udel.edu/grand-challenges-grants/

A variety of sponsoring agencies offer research, career, scholar or educational funding opportunities that limit the number of applications that can be submitted from a single institution. An internal selection process has been established by the Research Development Office to assist with limited submission opportunities. The portal also serves as host for receiving proposals for the three internal seed grant competitions that are administered by the UD Research Office. Learn more at:
https://research.udel.edu/research-development/funding-opportunities/limited-submissions/

UD ADVANCE Institute (supports women in STEM) – Leadership mini-grants – includes travel awards within the U.S.
https://sites.udel.edu/advance/fundingopportunities/leadership-mini-grants/

Community Engagement Initiative – Small Grant Opportunities for Faculty
https://sites.udel.edu/engage/small-grants/

Center for Teaching & Assessment of Learning – includes travel awards for faculty to participate in off-campus conferences related to teaching (deadline is May 31 of each year), instructional improvement grants (deadline is April 1, 2019), and the Re-engineering Large Introductory Courses (ReLIC) Grant (deadline is April 1, 2019).
